Abstracts of Papers

Presented at the 1987 Annual Meeting

The first of the two sessions was devoted to the presentation of papers on the topic of "The Role of the Teacher in the Classroom".

The second session was devoted to the presentation of papers on the topic of "The Role of the Teacher in the Classroom".

The third session was devoted to the presentation of papers on the topic of "The Role of the Teacher in the Classroom".

The fourth session was devoted to the presentation of papers on the topic of "The Role of the Teacher in the Classroom".

The fifth session was devoted to the presentation of papers on the topic of "The Role of the Teacher in the Classroom".

The sixth session was devoted to the presentation of papers on the topic of "The Role of the Teacher in the Classroom".

The seventh session was devoted to the presentation of papers on the topic of "The Role of the Teacher in the Classroom".

The eighth session was devoted to the presentation of papers on the topic of "The Role of the Teacher in the Classroom".

The ninth session was devoted to the presentation of papers on the topic of "The Role of the Teacher in the Classroom".

The tenth session was devoted to the presentation of papers on the topic of "The Role of the Teacher in the Classroom".
